

Ham Radio Nets I'm involved with as of Mar. 16, 2010:

Sunday: ! Cabot Nightflyers Net, Cabot, AR – 9pm – 147.570 simplex (KE5ELU-L)
<http://www.cabotnightflyers.net>

Monday: PCL Packet Net, Branson, MO – 7pm, (telnet connection to N0KFQ BBS)
! Trains And Railroads Net, Cedarburg, WI – 8pm (W9DHI-R)

Wednesday: 6 Meter Millenium Net, Teanac, NJ – 8pm (W2RJJ-L) <http://www.theneton6.net>
The Paris Net, Paris, TX – 8pm (KC5OOS-R)(I'll usually connect around 8:45pm)

Thursday: PCARS Net, Kent, OH – 7pm (KC8RKV-R) <http://www.portcars.org>
! ARES Club Net, Little Rock, AR – 8pm – 145.130 <http://tinyurl.com/arw9q4>

Saturday: Skywarn Hurricane Prep Net – 6pm CST/7pm CDT (*WX_TALK*)
<http://www.voipwx.net>
! Cabot Area Simplex Net – 9pm – 147.570 simplex (KE5ELU-L)

Notes: With Wednesday night church choir practice, I've REDUCED the number of nets that evening. I've also REMOVED Tuesday and Friday nets due to other conflicts.

Local area 2 meter nets show RF frequencies; the Echolink node callsigns are in parentheses. When connecting to an Echolink Net, please be sure that Conference Mode is turned OFF. Net websites are listed, where applicable. An exclamation point (!) notes where I'm Net Control, Webmaster, or both. All times listed are U.S. Central Time.

Note that the ARES Club Net does NOT meet on the 2nd Thursday of the month. The Skywarn Hurricane Prep Net meets on the 1st Saturday of the month ONLY from December through May...weekly from June through November. Last minute computer, internet, or weather issues may keep me from checking into the nets listed...or nets could be canceled for various reasons. To contact me, please go to <http://www.wx1der.com/fbk.htm> – and follow the instructions there.
